

## Strategy and Tactics

The ANC's famous 1969 Strategy and Tactics document adopted in the Morogoro, Tanzania Conference involving O R Tambo, Joe Slovo, Chris Hani and others, is attached, and downloadable from the link given below.

As a classic, the Strategy and Tactics document can speak for itself. It is straightforward enough.

This document, like, for example, the Freedom Charter, remains one of a handful that are held in the highest regard by the South African liberation movement.

It is a typical document of National Democratic Revolution.

It is short. It is really a “must-read” for any student of SA revolutionary politics. It has implications for today.
